

# STRATEGIC AND OPERATIONAL CONSULTING FOR SUSTAINABILITY & INCLUSIVITY

JULY 2023

# CATALYZING SUSTAINABLE CHANGE

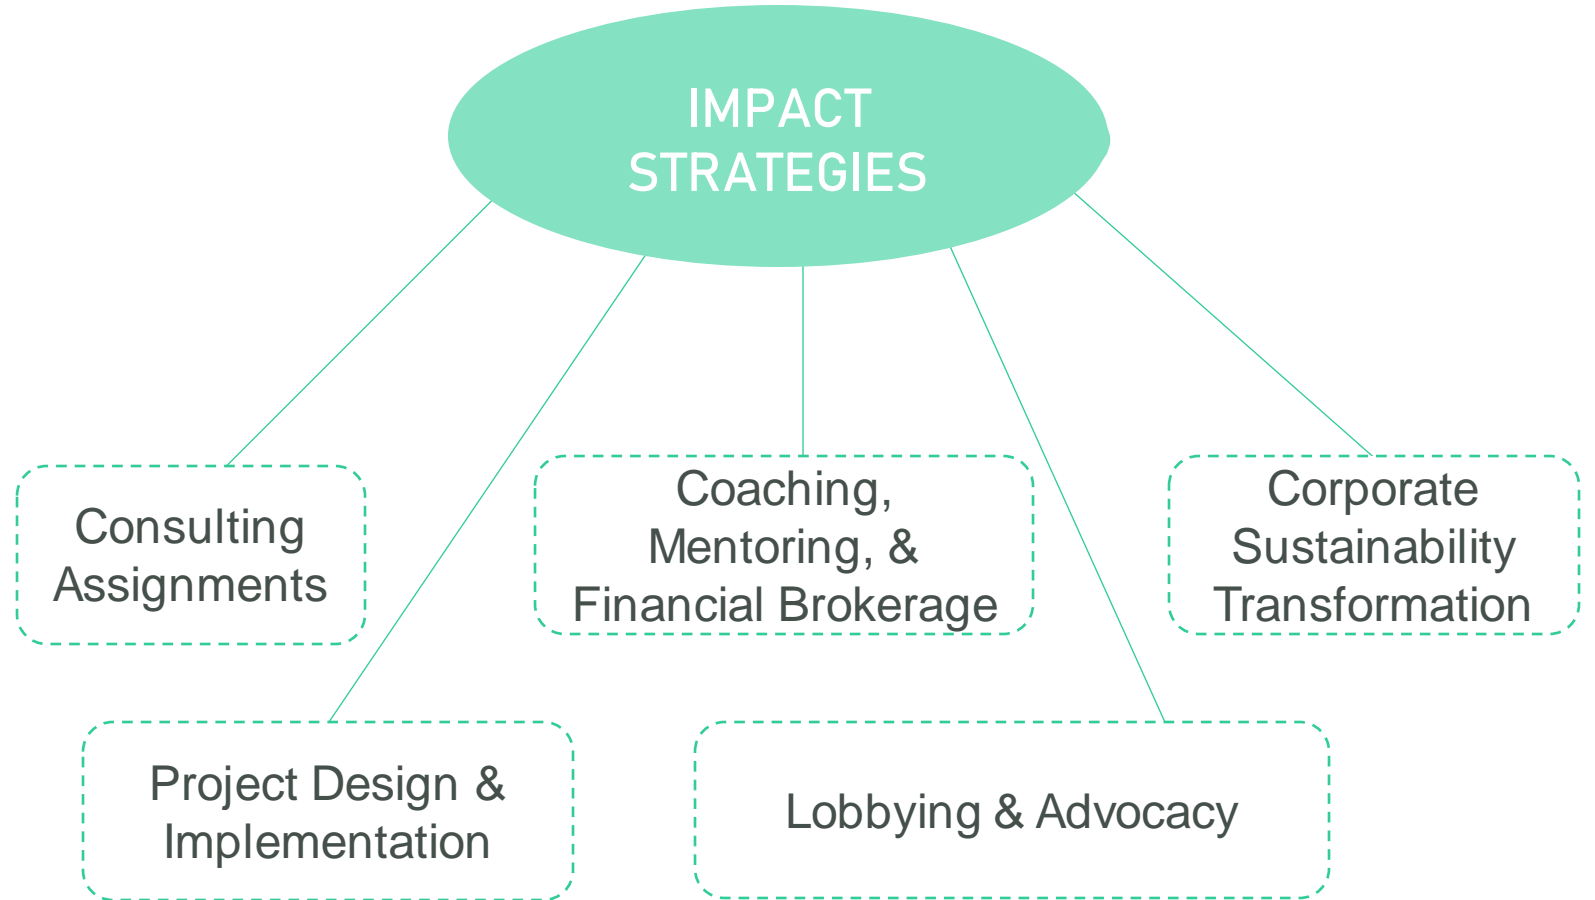

Entrepreneurs, Consultants and Experts at the service of your Transition

THINK

Which sustainability models have the highest impact potential?

DO!

How can we support the implementation of those models?

# OUR CURRENT SECTORS

Clean  
Energy

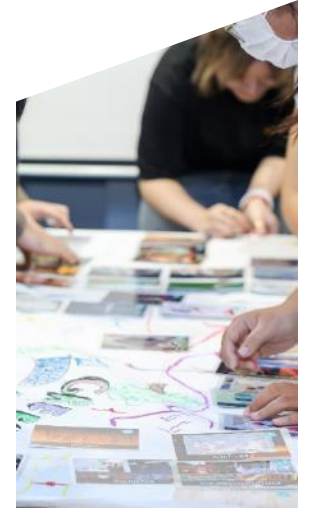

Agriculture  
&  
Rural Development

WASH

SME Development  
&  
Green finance

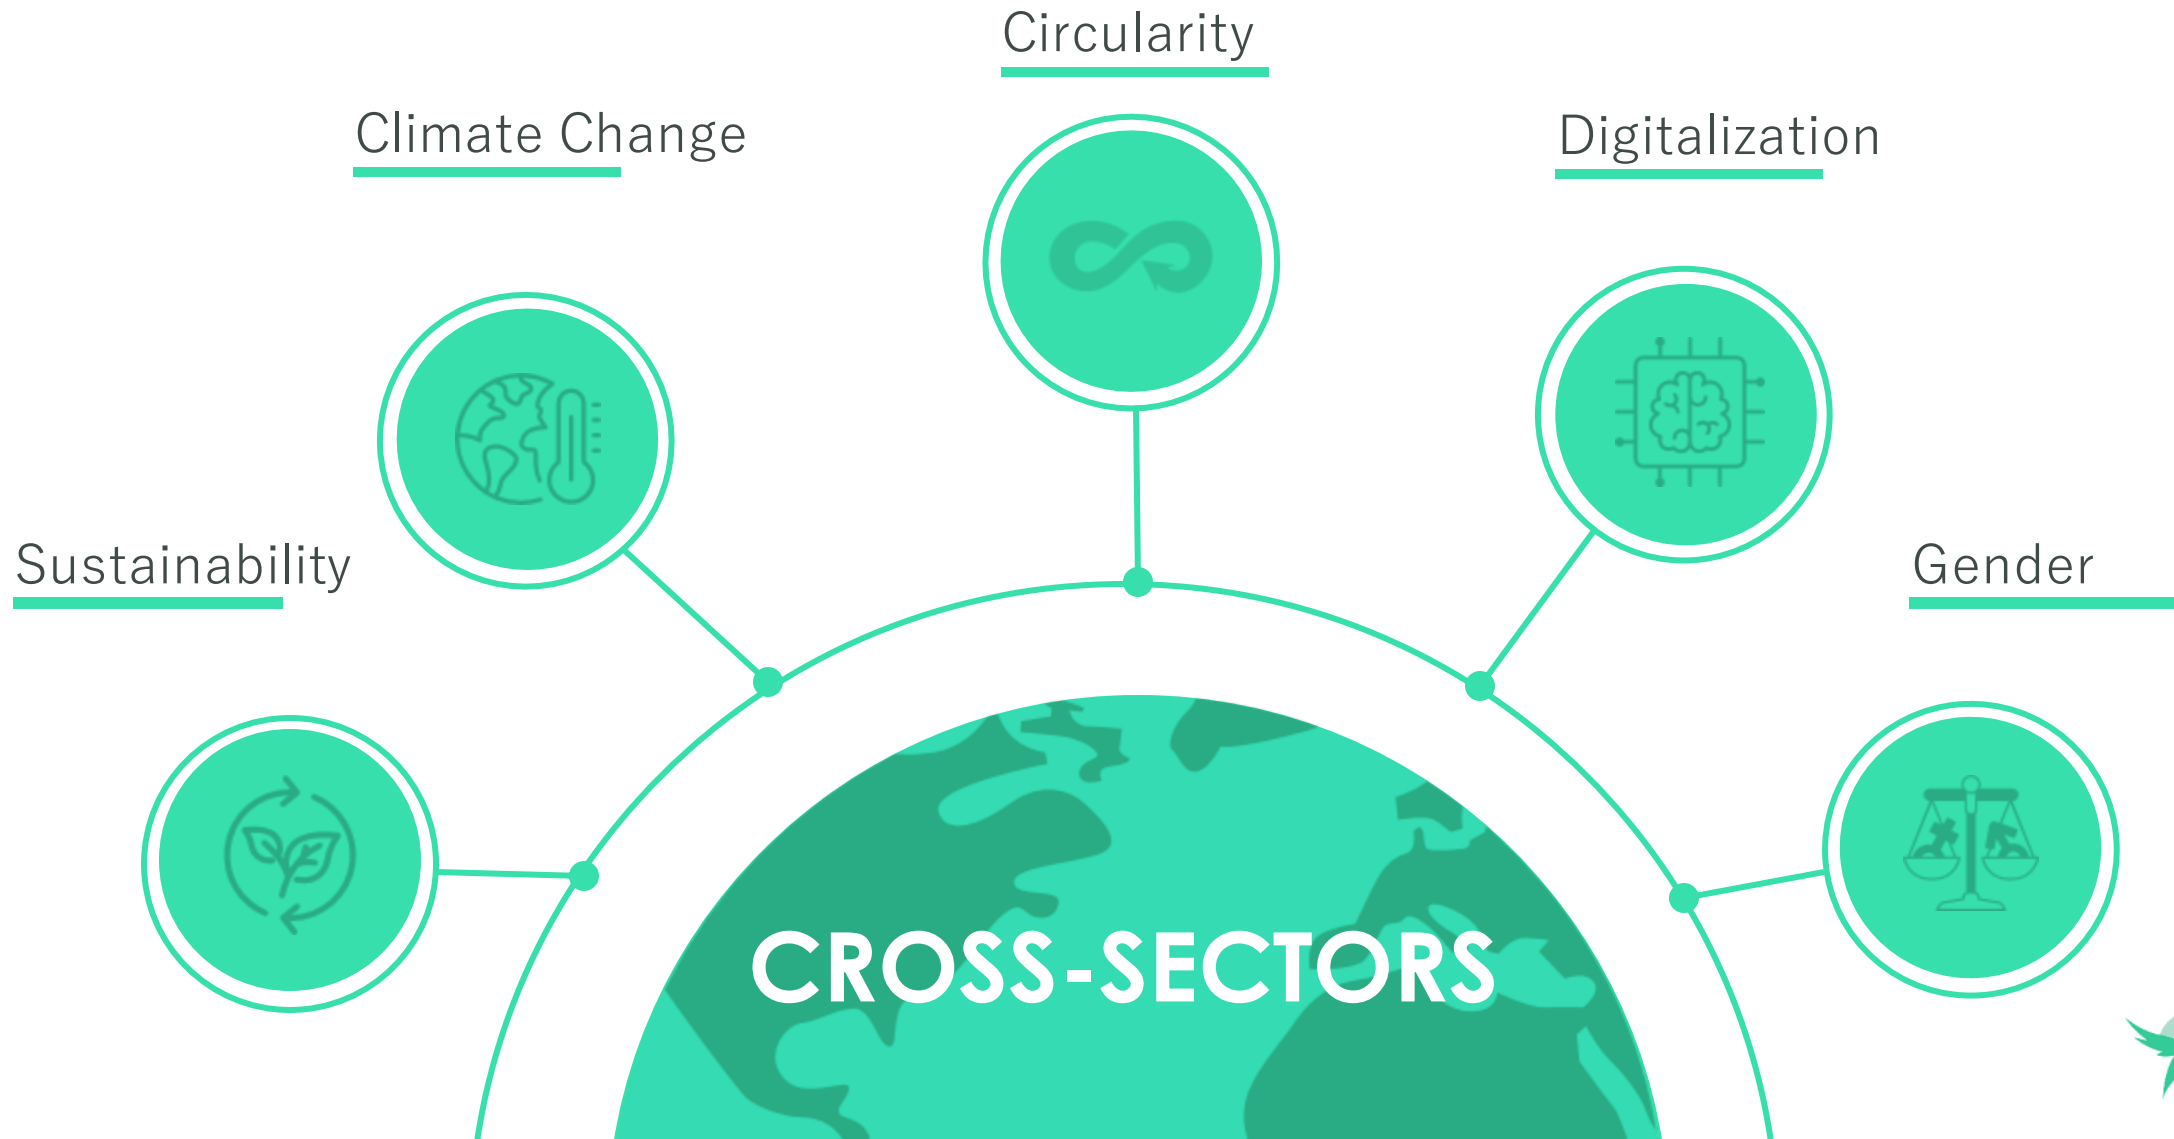

Corporate  
Sustainability

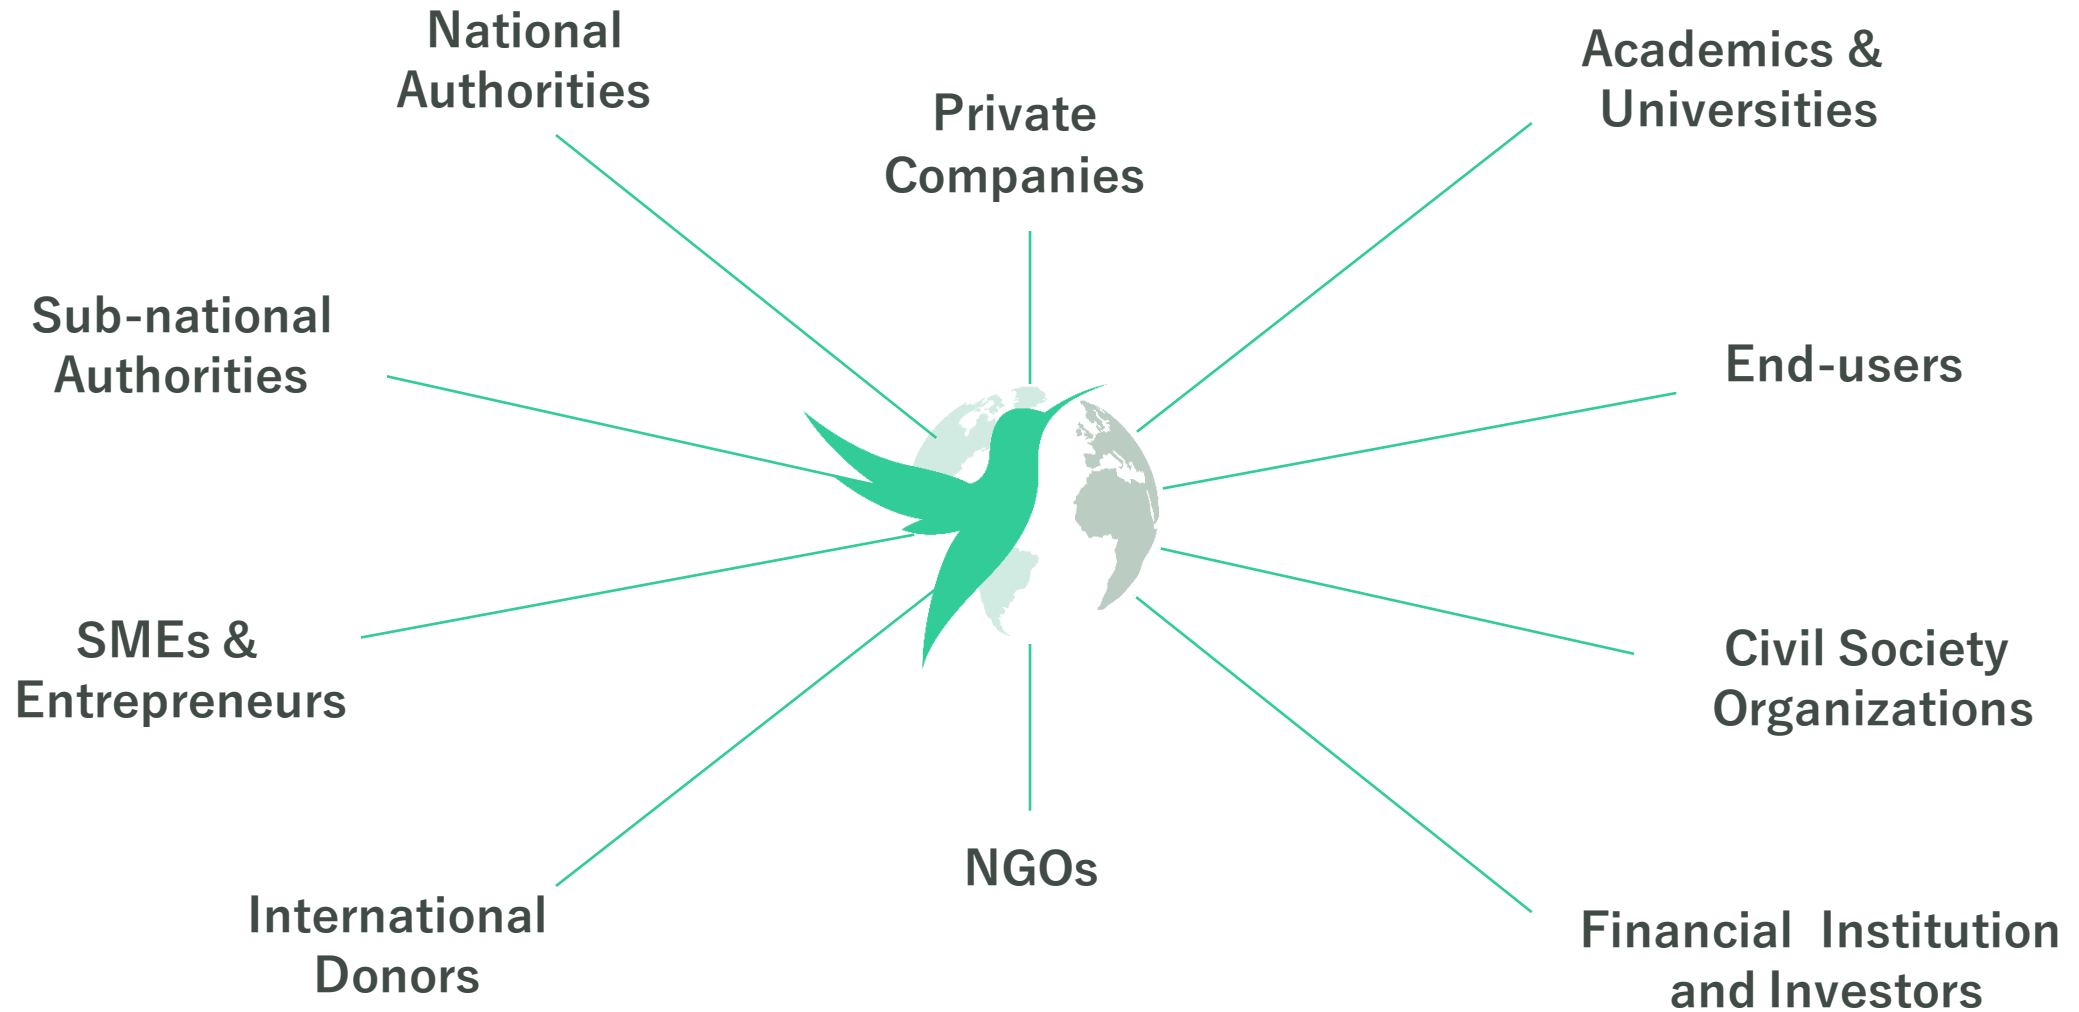

# WE APPLY 5 CROSS-SECTORAL LENSES

# A COMPANY AT THE NEXUS OF A DIVERSE WEB OF STAKEHOLDERS

# OUR INTERNAL STRENGTH

**140** missions

In Cambodia and  
other developing  
countries

**40** staffs

Local and  
international

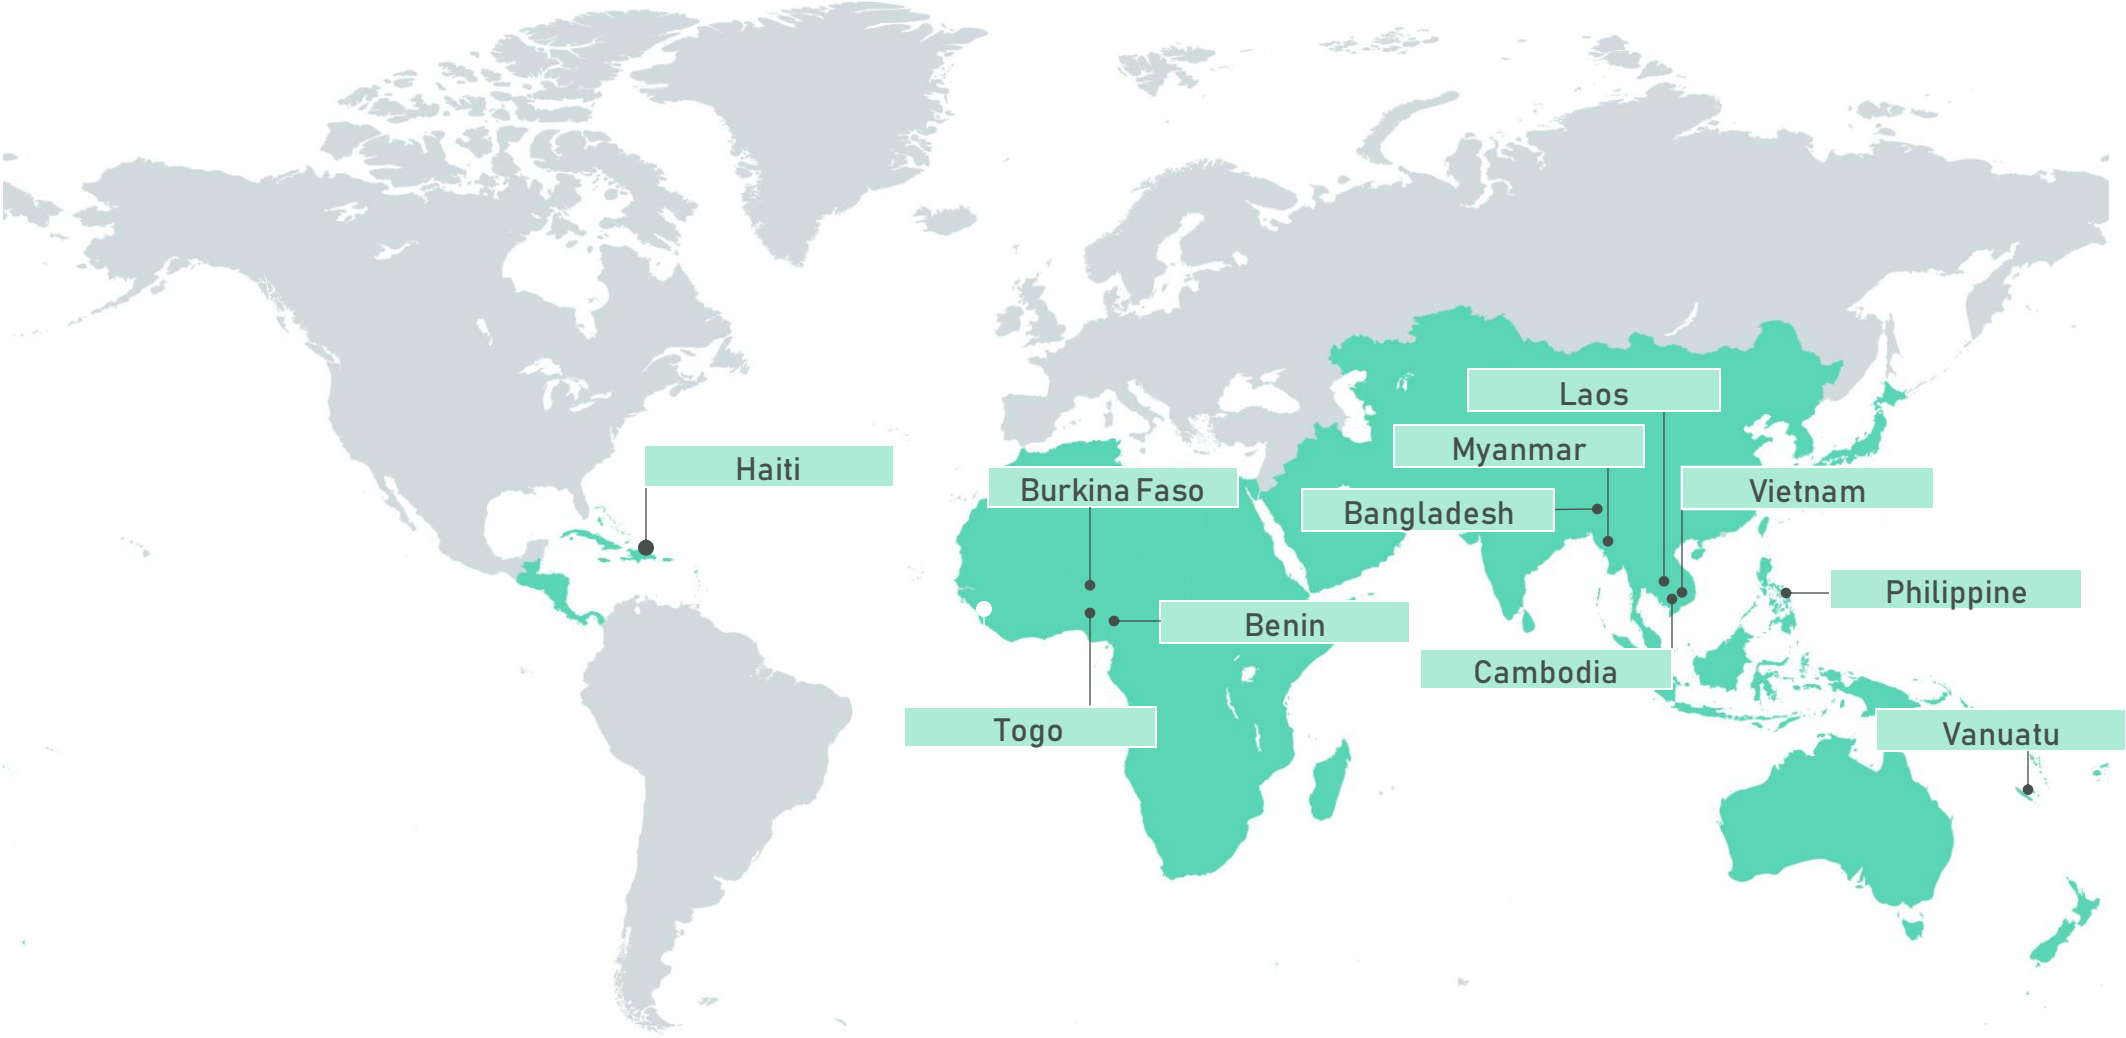

15+ years of  
experience in  
sustainable  
development

10+ years of  
experience in  
Cambodia

A team of local  
& international  
engineers,  
consultants  
and doctors

# OUR INTERNATIONAL FOOTPRINT

**40+**

office-buildings and hotels competing in Cambodia Energy Efficiency Competition since 2021.

**126**

climate related or inclusive businesses supported by our team in their journey.

**500+**

Cambodians have already joined the Climate Fresh movement. They learn, share, and take action against climate change impacts with us!

**10**

solar technology demonstration projects for farmers through SWITCH To Solar project.

**\$20M+**

in private investment raised to support Rural Electrification Enterprises (REEs), Renewable Energy Companies and climate-smart businesses.

# THEY TRUSTED US...

## Public Sector & Donors

CAMBODIA CLIMATE CHANGE ALLIANCE  
Implemented by: Funded by: ស៊ុយអែត

## Private Sector

## NGOs

# ... AND CONTINUE TO DO SO

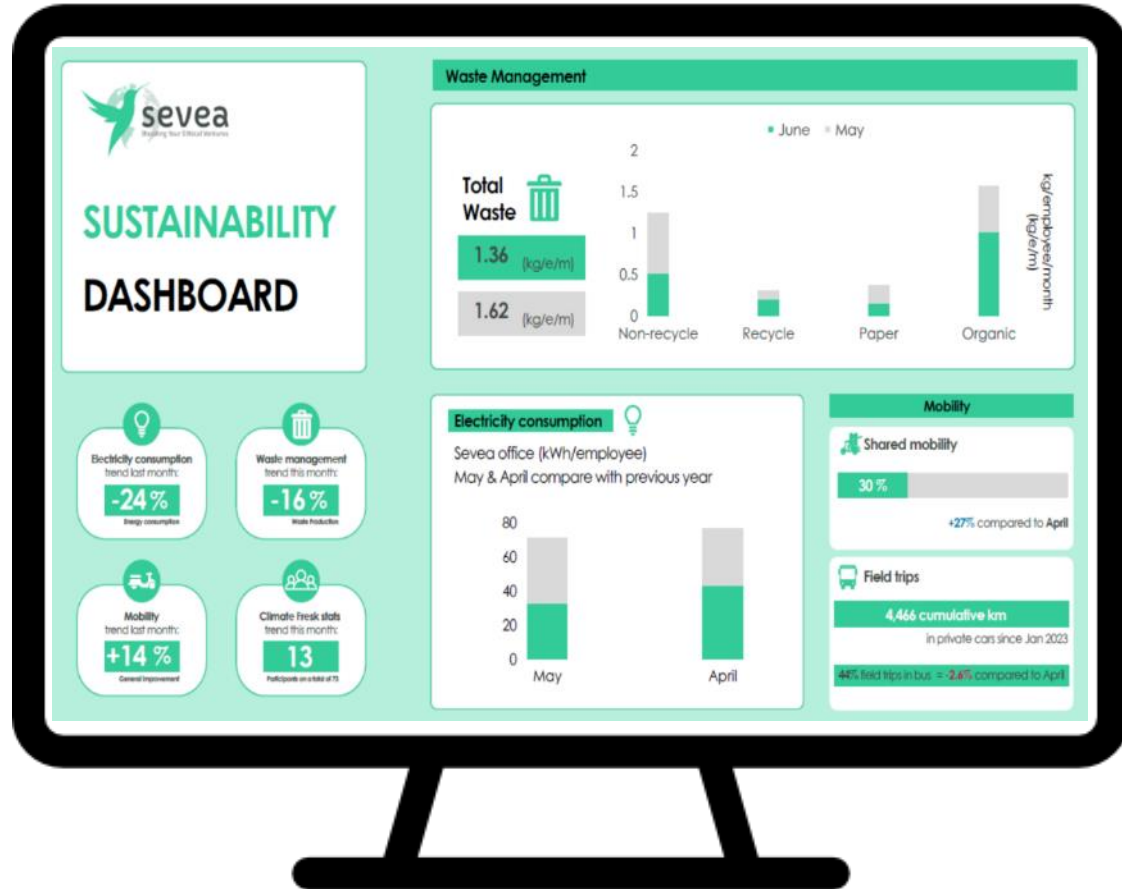

# SEVEA SUSTAINABILITY LAB

CSR Committee  
and Reporting

Energy  
Efficiency and  
Waste Policies

HR and Gender  
Policies

Because Sustainability is about **exemplarity**, we created the Sevea Sustainability Lab to implement and test our services **internally**.
